

International Student Travel at ACI

ACI's fastest growing product line is International Student Travel Insurance. The International Student Travel product line has been growing at ACI primarily due to personable service and focused attention to each member as they incur unanticipated interruptions and hardships in the midst of their planned trip. The International Student Travel product line fits well with the strengths of ACI which include knowledge of product, flexibility, and dependability enabling ACI to provide the best possible service for your accounts.

ACI's Focus on the International Student Traveler

- ❖ For your program, ACI offers dedicated Customer Service Representatives, who learn your account needs and the specific needs of your students, communicating assurance and providing direction as it is needed by the student or program leader.
- ❖ ACI teams and coordinates with your preferred International Assistance company to provide 24/7 Global service.
- ❖ Assistance Providers are available 24/7 to guide your members to the best quality and most economical facilities world-wide.
- ❖ When a Medical Emergency occurs, ACI and the Assistance Provider care and together we seek the quickest, best resolution for all parties involved, including bringing families together by making travel arrangements in the time of tragic events.
- ❖ ACI expertly handles claims for all standard travel benefits, including Trip Cancellation, Trip Interruption, Lost Baggage, Medical Expense and any benefit customized for your program.
- ❖ ACI converts foreign currency bills into U.S. dollars at the date of service and issues benefits to students in U.S. currency.

With ACI handling your International Student Travel Insurance Program, we will apply our experience, offer the best options available to your students in their given circumstance, and provide our personal touch to make your program successful.
